Idrees "Daudzai"

Cell phone1: +93 780363104
Cell Phone2: **+93** 729383610
E-mail: idreesdaudzai2000@gmail.com

PERSONAL DETAILS:

Name	**Idrees "Daudzai"**
F/Name	**Merwais**
Sex:	Male
Date of birth:	2000
Nationality:	Afghan
Marital Status	Single
Present Address	Qala-e-Zaman Khan, Kabul, Afghanistan
Permanent Address	Noorgal, Kunar, Afghanistan

OBJECTIVE:

Looking for a challenging career in an organization where I can use my efforts to the best of my ability and where my education, specialized proficiency and capability would be valuable to the growth of organization and myself.

EDUCATION:

2021   **BCs (SE) (Bachelor Computer Science)** from **Sayed Jamal Uddin Afghani University, Kunar**

2017   **12th grade** from **Nasrat High School, Nangarhar**

WORK EXPERIENCE:

1. 2022-08-02 Up to now

   Worked as an **Information Systems Development Specialist** with **Ministry of Technology and IT (MCIT)**

Duties:

- Designed and developed full-stack web applications, working with front-end technologies such as HTML, CSS (Bootstrap, Tailwind), and JavaScript frameworks (React.js, NextJs) to create responsive and user-friendly interfaces.

- Built and maintained back-end systems using PHP (Laravel) and Spring Boot, ensuring efficient server-side logic and secure data handling.

- Developed database architectures and managed MySQL, SQL Server, Postgre SQL databases, focusing on optimization, performance, and security to support various web applications.

- Configured and maintained web servers, ensuring reliable performance, security, and smooth deployment of applications to production environments.

- Created RESTful APIs to facilitate communication between the front-end and back-end components, implementing secure authentication and authorization mechanisms.

- Conducted thorough testing and debugging of both front-end and back-end components, improving overall system performance and addressing bugs effectively.

- Delivered workshops and training sessions to educate teams on development standards, security best practices, and coding efficiency.

- Regularly researched emerging technologies and trends in web development, continuously enhancing my skills in both front-end and back-end development.

2. 2023-01-05 – 2024-01-31
   Worked as a Part-time **Computer Science faculty lecturer** at **Maryam University**

Duties:

- Delivered lectures on various computer science topics, including algorithms, data structures, programming languages, software engineering, and other core areas.
- Designed, developed, and update course content, materials, and resources to ensure alignment with current industry trends and academic standards.
- Conduct tutorials, workshops, and practical sessions to enhance student understanding and engagement.
- Provided academic advising, mentorship, and guidance to students on projects, research, and career development.
- Assessed and evaluate student performance through assignments, exams, quizzes, and projects, providing constructive feedback.
- Participated in departmental meetings, curriculum reviews, and professional development activities.
- Contributed to academic research, publishing papers, and attending conferences to stay current in the field.
- Fostered a positive and inclusive classroom environment, encouraging student participation and collaboration.
- Assisted in the development of academic programs and research initiatives within the department.

3. 2022-08-15 – 2022-12-31
   Worked as a Part-time **Software Engineering Lecturer** at **Jahan University**

Duties:

- Deliver lectures on software engineering principles, including software development life cycle (SDLC), project management, system design, and software testing.
- Develop and update course materials, including lecture slides, assignments, and exams, reflecting industry practices and emerging technologies.
- Lead practical sessions, workshops, and group projects to provide students with hands-on experience in software development tools, frameworks, and methodologies.
- Mentor students in their academic and professional growth, guiding them through their software engineering projects and research.
- Assess student performance through assignments, exams, and project evaluations, providing feedback for continuous improvement.
- Foster collaborative learning through team-based projects and peer reviews, simulating real-world software engineering environments.
- Participate in curriculum development and improvement, ensuring course offerings are aligned with industry needs and best practices.
- ☐Engage in research activities, contributing to the advancement of knowledge in software engineering and related fields.

- Attended departmental meetings and participate in faculty committees to support the growth and development of the program.
- Contributed to continuous performance optimization strategies, including caching and server-side performance enhancements.
- Handled additional responsibilities as required, demonstrating flexibility and a commitment to delivering high-quality solutions.

CERTIFICATIONS:

Postgre SQL	IQ Leading Center	2021
MySQL	IQ Leading Center	2021
SQL server	IQ Leading Center	2020
C# Programming	ATIF Educational Center	2019
C, C++, Java, C#	IQ Leading Center	2019
MCSE, CCNA	TITA	2019
Wed Designing	TITA	2018
Web Development	TITA	2018
DEL	Tolo-e-Afghan Institute	2016
DIT	GCEP/AYC	2015

RELEVANT COURSEWORK:

- Project Management
- Database Management System (SQL, MySQL, Oracle, PostgreSQL, PSQL,)
- Software Development
- GitHub/GitLab
- Creative Design
- Innovative decision maker
- Complex problem solver
- Service focused

SKILLS:

- Database Management System
- Problem Solving/Analytical Thinking
- Java/C#/PHP/Laravel….
- Ability to learn new methodology
- Strong Communication Skill
- OOP Programming
- Familiar with MVC and API
- JavaScript, Ajax, ….
- SQL Server, MySQL, Postgres, …
- Web Development, Desktop Development
- MS Office
- Internet/Email Dropping
- Report writing
- MS Windows
- Web designing
- Good communication skill

LANGUAGE SKILLS:

Language	Speaking	Listening	Reading	Writing
Pashto (**Native**)	Excellent	Excellent	Excellent	Excellent
Dari	Well	Excellent	Excellent	Excellent
English	Well	Excellent	Excellent	Excellent
Urdu	Good	Well	Well	Well
